

ALEZANDRA DENISE REYES

COMPUTER ENGINEER

13 Lawa, Meycauayan, Bulacan | alezandradeniseadr@gmail.com | +63-929-303-3703

Versatile and detail-oriented Computer Engineering graduate with a specialization in Data Science and hands-on experience in data analysis, reporting, and visualization. Proficient in Python, SQL, Pandas, and Matplotlib to extract insights, identify trends, and support data-driven decision-making. Strong foundation in statistical modeling, real-time data systems, and UI/UX design. Known for translating complex data into clear visuals and actionable reports while collaborating with cross-functional teams to support business and stakeholder goals.

PROFESSIONAL EXPERIENCE

RAKSO CT • Makati City

Jan 2025 - April 2025

Associate to the Director • Internship

- Led the BlockBot project, a Korean EdTech tool, where I handled testing, gathered user feedback, and helped translate and finalize the user manual and documentation.
- Collaborated directly with the Director of Educational Technology to support reporting, hybrid meetings, and marketing efforts.
- Helped coordinate tasks and team communication using Google Workspace, Microsoft Teams, Asana, and Slack, ensuring timely delivery of reports and presentations.
- Created the executive keynote deck for Rakso's President at a major EdTech Summit, supporting clear messaging and strong stakeholder engagement.
- Contributed to client proposals and business strategies by conducting market research, studying competitors, and aligning solutions with client goals.

Virtual Assistant • Customer Service & Administrative Support

Feb 2024 - Dec 2024

- Delivered responsive, multichannel customer support, resolving issues efficiently and sustaining high satisfaction rates.
- Used CRM tools to keep track of leads, follow up with customers, and help grow the sales pipeline.
- Helped boost sales by 20% every 20 days through upselling, understanding customer needs, and offering the right solutions.
- Partnered with internal teams to ensure seamless order fulfillment, accurate billing, and smooth onboarding experiences.

EDUCATION

Bachelor of Science in Computer Engineering • Specializing in Data Science

Technological Institute of the Philippines - Manila

- Dean's Lister (2022 - 2025)
- President's Lister (2021)

SKILLS

Python (Pandas, NumPy, Matplotlib) · Java · HTML/CSS · Node-RED · MQTT · Arduino IDE · MicroPython · Blynk · Firebase Realtime Database · Visual Studio · Android Studio · Git · GitHub · Figma · Canva · Photoshop · Microsoft Project · SMM · Notion · ClickUp · Microsoft Office · Google Workspace

CERTIFICATIONS

- Cisco CyberOps Associate
- Cisco Modules Completed: Intro to Networks, Switching & Routing, Enterprise Networking
