Experience

2019-2022

Mercy's Retail Store | San Rafael, Bulacan

Store Manager

- Experience Sales Associate at a retail FMCG store operating since 2013.
- Maintained efficient records of stock inventory levels ensuring sufficient weekly product replenishment.
- Served on an average of 40 customers per day - answering inquiries, implementing strategic upsell, and managing payment.
- Audited income and expenses through daily cash reconciliation and collection of credit payments.

2020-2021

Immaculate Conception School of Baliuag | Baliuag, Bulacan

Student Assistant

- Assisted faculty members and staff with various administrative tasks, ensuring efficient operation of the department.
- Managing Gmeet and Zoom meetings
- Supported event coordination, including scheduling, logistics, and communication with participants.
- Actively participated in meetings and training sessions, enhancing knowledge of departmental procedures and policies.
- Provided exceptional customer service to students, faculty, and visitors, addressing inquiries and providing information about departmental services.

2018-2019

Arta Events | Baliuag, Bulacan

Host and Event Planner

- Successfully hosted and coordinated a variety of art events, including exhibitions, gallery openings, and workshops.
- Collaborated with clients to understand their event objectives, budget, and preferences, ensuring a tailored and memorable experience.
- Designed and implemented event concepts, themes, and décor, creating visually stunning and cohesive environments.
- Managed event logistics, including vendor coordination, venue selection, equipment rental, and scheduling.
- Led event promotion and marketing efforts through social media, email campaigns, and targeted outreach, resulting in increased attendance and engagement.

2023 - 2024

E.R.O. | Philippines

Sales and Management

- Managed virtual communication channels and responded promptly to client inquiries.
- Conducted research and provided information to clients as needed.
- Handled customer complaints and resolved issues effectively.
